

FUTURE STARS PRE-LEAGUE DEVELOPMENT PROGRAM

The Harrison Future Stars Pre-League Development Program is designed for the player that has successfully completed the Advanced Beginner classes and can demonstrate moderate racquet control and shot placement. This level of the Harrison Junior Development Program focuses on the continued development of the basic fundamental strokes plus teaches them how to play the game. The primary fundamental emphasized in the Future Stars Development Program is the follow-through on the ground strokes. The fundamentals of the volley and serve will be covered in depth but the primary focus is the development of sound ground strokes.

Each practice will consist of a warm-up and instruction time using line drills to work on a specific stroke. This is followed by competitive games that start with the specific shot they have been practicing plus allowing them to experience play by playing out points against the other players in the class. Time will be spent on scoring, positioning, and the flow of the game. Some basic singles and doubles strategies will be introduced. Later sessions will include match play.

The players should be ready for league play at the beginning levels after successful completion of the Future Stars program.

For acceptance into the Future Stars Pre-League Development Program a player should be able to demonstrate moderate racquet control by bouncing a ball on the ground and then in the air off both sides of the racquet. They should be able to demonstrate ball placement by hitting a majority of balls cross court or down the line as directed.

The Future Stars Pre-League Academy is part of the Harrison Tennis Center Junior Development Program and will meet year-round. Billing will be done monthly. Fill out the information below and a coach will contact you about your interest in this program.
